

We offer a Recycle service on your unwanted goods and this service can be utilised when we make our delivery to you. We either recycle the unwanted items via a local recycle centre or re-house via various charities we partner with

Beadle Crome Interiors was established in Reading in 1972. Since that time it has remained a family business with a new generation helping to guide the business forward.

Urban Sofa Range

We offer a Protection Plan for your upholstery that covers anything from little accidents such as food or drink spills, accidental damage or even structural defects.

Interest free finance now available online on items over £1200

We charge for standard UK delivery and installation on all orders. We use our own trained delivery staff for the majority of deliveries.

It's not hard to see why the Urban range has remained one of our most popular models in recent years. It's modular flexibility combined with exceptional comfort makes for an inviting centre piece in any sized home. Characterised by its deep slouchy feel, the Urban forms part of our Lounge collection.
