How does the Care Plan work?

Simply follow the care instructions provided at the time you purchased your furniture. However if an accident threatens to spoil the appearance of your furniture all you have to do is call our dedicated claims and advice line and we will ensure that the problem is taken care of.

What am I covered for?

On the following pages you will see a more detailed list of the things you are covered for, and what you are not covered for. Essentially this Care Plan provides cover for a comprehensive range of household accidents that result in damage or staining to your furniture.

Following the delivery of your furniture you will receive a document detailing this and also how to make a claim. It is important to recognise that you are not covered for a lack of care of your furniture or abuse, and multiple stains and damages sustained over an extended period of time are similarly not covered.

How do I make a claim?

Simply notify Staingard Limited as soon as you become aware of the incident leading to the claim. Visit Our website staingard.co.uk which is available 24 hours a day, or email sgfadmin@staingard.co.uk.
